Respected Dr. Sharma Sir,

ALUMNI TESTIMONIAL

1.   I was fortunate to undergo full two years MBA course in academic session of 2015-17 as part of my study leave.

2.   My experience of 2 yrs with Faculty, Professors & Students has been very versatile. I being from Engineering back ground thought that I would have to struggle to complete my course with limited knowledge of Business Administration & also to compete with fresh and young minds of today's generation. I could easily sail through as the curriculum was very educative and it provided me an opportunity to understand the nuances of MBA.

3.   The "RV Northland Institute of Management" has one of the best infrastructure and brilliant faculty. The teaching methodologies backed by practical skills and industry interface has given the confidence to pursue careers in respect of almost all my batch mates. The institute has a placement policy and thus gives enough opportunities to every student.

4.   The friendly, positive attitude & motivation by all faculty members and their willingness to always offer a helping hand has made me feel part of the "RVNI" family as it has enlightened me throughout this beautiful journey.

5.   I feel lucky and proud to have been a part of this institute primarily because of the things I have learned over there & like to pen down & wish all my batch mates & faculty by stating that,

" MAY WE ALWAYS FLY WITH THE WINDS
MAY WE ALWAYS SHINE WITH THE STARS
MAY WE ALWAYS BE STRONG AS MOUNTAINS
MAY WE ALWAYS HAVE VAST CAPABILITIES AS THE SEA."

"MAY THE HEAVEN SMILE ON US AND THE HAND OF GOD
FOREVER BE ON US & THIS GREAT INSTITUTE."

With deepest regards & best wishes.

Yours. Sincerely :

Respected Dr SN Sharma Sir,

ALUMNI TESTMONIAL

1.   I was at RV Northland Institute of Mgt for a full two years MBA Course for academic session of 2015-17. This was a course sanctioned by Army HQ as part of study leave granted to army personnels.

2.   Coming back to study table after a gap of 30 years (I had done my BSC in 1987) was no easy task but I was fortunate that the institute made all efforts to make it possible for us to compete with young brains.

3.   If you really ask about the experience, the same has been most fulfilling, satisfying and full of challenges. I will put it on records that the professors and fellow students have been very supportive and helpful which enabled me to compete with the upcoming, young & dynamic generation and helped me to complete my MBA.

4.   RV Northland Institute of Management studies has good infrastructure and a abled faculty. The curriculum was well planned and educative. The teaching techniques were very methodological and very meticulasly planned to have on ground practical experience in terms of visits to selected industrial area that helped all of us to overcome nuances of business mgt. The institute boosts to have a sound placement policy and campus interviews to facilitate adequate job opportunities to all aspiring students.

5.	I am fortunate to be part of this institute which has dedicated and ever helping faculty that provided an ideal platform to all to achieve greater heights in their endeavors.	I wish and pray that this institute may become stronger and stronger by each passing day and continue to facilitate better & effective education to shape up bright careers.	My best wishes to all.

6.	Jai Hind.

With profound regards

yours Sincerely
